

Thremhall Park

STANSTED

location

Thremhall Park, Start Hill, Bishop's Stortford, Hertfordshire, CM22 7WE

Thremhall Park is located on the southern boundary of Stansted Airport, some half a mile east of Junction 8 of the M11. The thriving marketing town of Bishop's Stortford lies on the opposite site of the motorway and offers a range of local amenities including a well established Chamber of Commerce with all major banks represented, and a wide variety of professional support services. Restaurants, sports and leisure facilities and a wide range of housing is on offer together with top quality education delivered through both state and private schools.
